evidenced toward successful matriculation in the course, Dean Lowe stated. "Because it is not a four-year program, some trainees have wrongly concluded that scholastic performance needed for the successful completion of a four-year degree program is not of importance in the nursing course," the Dean of Instruction elaborated.

"Actually, the converse is true. Because of the accelerated nature of the nursing program, competent scholastic background and performance are of the utmost importance. Practical Nurse training is by no means, to use the vernacular, a "sop" course," Dean Lowe emphasized.

Practical Nursing at MVC is a one-year course, with the trainees spending four months on campus and eight months on intern at a cooperating hospital in the state. The course is open to qualified high school graduates and or qualified students with at least two years of high school training.

The single ring candlelight ceremony, performed by the Reverend E. B. Childress, pastor of the Shorter A. M. E. Church of Denver, was held at the home of Dr. and Mrs. Edmond F. Noel of Denver, uncle and aunt of the bride. An informal reception followed the ceremony.

Given in marriage by her father, the bride wore a lovely creation of pale aqua embroidered taffeta, and carried a white orchid and lilies of the valley atop a white prayer book. Her attendant was

Miss Patricia Hancock, Wichita Falls, Texas, who was her roommate at Colorado University. Orville Springs of Denver and Colorado University served as best man.

Following the reception, the couple left by train for Jackson, Mississippi where they will reside until the groom's graduation from Toulaloo Southern Christian College in June.

The bride, a member of Sigma Theta Sorority, is an alumna of Toulaloo Southern Christian College and was a graduate student at Colorado University, Boulder. The groom is a member of the Omega Psi Phi Fraternity.

Married and the father of a daughter, Feltus was not happy to leave his position, but feels its best to do so at this time. He made it clear however, that he was not afraid and that he will continue to fight for policies in which he strongly believes.

## LOCAL DENTIST SPEAKS AT PARENTS' MEETING

The quarterly meeting of parents of Virden Presbyterian Nursery - Kindergarten was held Thursday, February 16, at 7:30 p.m. in the school, located on Bailey Avenue Extension. The main feature of the meeting was the message of the speaker, Dr. M. N. Jones, local dentist.

Devotion was led by Miss Irene Farmer, the chaplain. After an informative introduction by Mrs. Addie Woods, chairman of the Program Committee, Dr. Jones captured and maintained the attention of the eighteen members present, as she spoke on "The ABC of Dental Care for Children under Six."

Under A Dr. Jones discussed and demonstrated the proper brushing of the teeth. She stated that most people spend too little time on brushing the teeth. A minimum of two minutes should be allotted for proper brushing of teeth, gums, and the tongue. Emphasis under B was placed on proper diet in building good teeth. Fruits and juices, especially citrus fruits, should be corner generous-

ly. A well-balanced diet is essential for good teeth. Candies and cookies should be avoided between meals.

Dr. Jones discussed the importance of regular dental check-ups under C. The child should have his first "friendly check-up" by the dentist by the age of three. After the first visit, periodic check-ups should be made every three or four months. Questions were answered by Dr. Jones. Members present were greatly enlightened by information she imparted on Dental Care.

The brief business session of the meeting followed the speech, with Mr. James Morgan, the chairman, presiding. Announcements and remarks were made by Mrs. Ruth R. Dease, Teacher.

After refreshments during the social period, the meeting adjourned with prayer by Rev. W. J. Gipson.
